Letter Referencing Previously filed Sequence Listing Information

The paper or compact disc copy of the Sequence Listing in this application (U.S. Patent Application Serial No. 09/873,901) is identical to the computer readable copy of the Sequence Listing in U.S. Serial No. 09/111,123 filed July 6, 1998. Thus, no new matter has been added. In accordance with 37 CFR 1.821(e), please use the computer readable form filed in U.S. Serial No. 09/111,123 as the computer readable form in the present application. It is the only computer readable form filed in U.S. Serial No. 09/111,123. If there is any problem obtaining the computer readable form of U.S. Serial No. 09/111,123, another copy will be provided. A paper copy of the Sequence Listing is hereby provided.

If there are questions concerning this Letter, applicant's attorney can be reached at the telephone number stated below.
